MOOD:  relaxed

MUSIC: Chris Cornell - Fell On Black Days

"In winter, the climbers return to the indoor walls like the swallows to Capistrano."

"He's got these little stubby fingers. That's the only reason they don't-boom!-just snap off when he does that."

"Yeah, he got captured by the mob this one time and they were gonna break his fingers, but he wouldn't tell them anything."

"You'll get no beta from me, Nunzio!"

"I'll be upstairs watching *Lost*. Call me if you need to go to the hospital."

"Neil's 5.8--"

"A Neil 5.8 is a 5.10."

"Whereas one of mine is really just a 5.9. See? It's easy."

"Shit! Gravity Works!"

"What you have there is beautiful specimen of a hematoma. Also, your nail's going to fall off in a couple of weeks now."

"I can't get my foot off the ground. What is with this?"

"Is it stuck?"

"To the carpet?"

"Stranger things have happened."

"You know, it's totally the shoes. I can't stick that in my 5.10s."

"What are those?"

"La Sportiva."

"You know, the 5.10s are supposed to be stickier."

"The map is not the territory. That's all I'm saying."

"Why am I sitting when I could be lying down now?"

"Why do we do this again?"

"It's fun."

"No, that's not it."

"For the endorphins?"

"For the *shoulders*."

Also, hey. Did you know I'm now *legally* married?

Thank you

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

The leaves are turning. Noy quite peak, but the big sugar maple in the front yard handled the confetti.

Also, hey. Did you know I'm now legally married?

Congratulations! That's splendid!

I hope this wasn't as stressful as last year's ceremony in DC? (If nothing else, we haven't had any tropical storms up this way recently. That one had **me** worried.)

(Edit to fix tyop. Stoopid tyop.)

This one made up for the hurricane. And I was home safely a week in advance this time! (And our honeymoon is being spent hanging out in our totally remodeled FINISHED kitchen.)

It does, you know. But not predictably. Still, better than you would like sometimes.

It's a beautiful state, full of crabby irascible farmer's-tanned cheese-eating Yankees who don't think anything is anybody's business but your own.

I love 'em. (Well, one in particular.)

It should be, shouldn't it? I bet I could make a mint selling them at the gym.

Do you promise to share your chalk and pro?

To work together to flake the rope every time?

To share beta after each lead, and cliff bars when you bonk?

You may now belay the bride.

Congrats!
